

MEDIA ADVISORY: May 31 event in Mecca

Coachella Valley families earn laptops as part of life-skills program

Twenty Coachella Valley families who learned the benefits of financial fitness, improved health, self-sufficiency and other life skills will be honored May 31 during graduation ceremonies for the Family Laptop Savings Program.

The celebration will take place at 6 p.m. at the Mecca Family and Farmworker's Service Center, located at 91275 66TH Ave. The public is invited to the event and attendees can RSVP with Marcos Coronel at 760-863-2664 or marccoronel@capriverside.org

The Family Laptop Savings Program includes seven workshops that incorporate development of financial fitness, self-sufficiency, resiliency, mediation, health and nutrition, energy conservation and career capacity building skills. The families gain additional financial literacy skills, as well as other core life skills through an approach aimed at increasing self-sufficiency in a setting where both parent and child learn together.
