Community Action Partnership seeks applicants for two seats on CAP commission

Community Action Partnership of Riverside County is seeking applicants for two positions on its Commission. One will serve as the “low-income” representative for District 2, which stretches from Highgrove to Corona, and the other will represent the housing industry.

The low-income representative will be chosen by election of voters in District 2 on Feb. 6, while the “private sector” representative will be appointed by the Commission. Those interested for either position must submit their application by 10 a.m. Feb. 1.

Those interested in the low-income seat must live in District 2 and should be members of the low-income community (candidates need not themselves be low-income, however, preference in selection shall be given to low income individuals). District 2 includes Corona, Norco, Jurupa Valley, Eastvale, Highgrove, Home Gardens, El Cerrito, Coronita, Green River and the Riverside communities of La Sierra and Arlanza north of Arlington Avenue, Magnolia Center, Wood Streets, Downtown and North Side.

Those interested in the “private sector” seat must be a representative of a business related to the housing industry or a member of an organization that is housing- industry related.

Applicants cannot be a member or family member of the Community Action Partnership Riverside staff, the Community Action Commission or the Riverside County Board of Supervisors.

For additional information, or to receive an application, call Patricia Sanchez at (951) 955-3217. The application is also available in English and Spanish at www.capriverside.org Completed

applications can be mailed or dropped off at the Community Action Partnership Riverside office, 2038 Iowa Ave., Suite B-102, Riverside, Ca., 92507.

Community Action Commission meets on the third Thursday of every month (no meetings in August and December) in Banning. Representatives/Commissioners are volunteers who are dedicated to the mission of community action and are willing to participate on various committees and Commission activities to serve low-income people. Community Action Partnership is part of Riverside University Health System-Public Health.
